Cuyuna Range Mountain Bike Trails – The world-renowned 25-mile, single track, mountain bike trails offer a thrill level for everyone. River Canoe Trips – Float down the river while enjoying the wildlife and nature's beauty along the way! Canoe trip participants will be shuttled to and from the drop-off location, where canoes will be unloaded and put into the river.

There will be a brief instruction of the basics of canoeing before getting underway. All skill levels are welcome and encouraged.

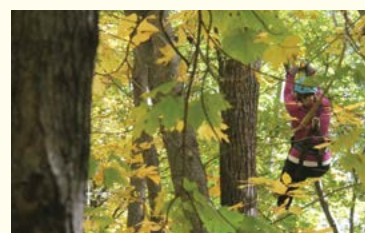

Horseback Riding

Horses are just the way to see Minnesota's beautiful northwoods! At nearby Outback Stables, you'll enjoy a guided trail ride through the beautiful Pillsbury State Forest.

Zip Line Tours

At nearby Mount Ski Gull, an exhilarating 2 hour tour offers beautiful views from the highest elevation in the area.

A golfer's paradise

Come play where golf began in the Brainerd Lakes area

Walk the fairways and greens graced by golf legends such as Patty Berg, Nancy Lopez and Walter Hagen.
