

 **THE CLASSIC**  
AT MADDEN'S

Madden's...  
Where work becomes play  
Where co-workers develop a  
**team**

Madden's...

....offers a teambuilding opportunity like no other. Time away, face to face, with only laughter and the beautiful surroundings to distract.

Our professional golf team will plan a successful outing...whether it's one day or four days, for your team of 8 to 80.

Blend a golf event with unique dining venues, golf clinics, pontoon cruise, evening bonfires... and a meeting if you must.

**Team Building | Relationship Building**
