HOW TO PLAY

Player 1 draws golf balls: ●
Player 2 draws golf clubs: ✕

Three in a row to win!

Did you know?

Minnesota has over 10,000 lakes!
That's a lot of water hazards!

Loons can call across a lake.
Better than yelling "fore!"

Moose can be taller than a golf cart!
You might want to let them go first.

You can watch both sunrise and sunset over water at Madden's.
